

The right choice for your vision benefit solution is easy to see

ACCESS TO CARE STARTS WITH THE RIGHT NETWORK

Members choose from a network with the right mix of independent and retail providers — including popular national chains and regional favorites, as well as online options. This way, members receive vision care and services when and where it's convenient for them.

IN-NETWORK ONLINE OPTIONS AT MEMBERS' FINGERTIPS

Members can shop and buy glasses, contacts and prescription sunglasses, just like they would in the store — but from their computer, smartphone or tablet.

FRAME CHOICES THAT MEET MEMBERS' NEEDS AND SUIT THEIR STYLE

No frame towers or contact lens formularies. Members get to choose their frames from any available brand, including the world's leading designers.¹

A MORE CONVENIENT EXPERIENCE

Our member website gives you access to benefit details, claims, provider locations and more. And, since many providers offer extended evening and weekend hours, you can get care when it works for you.

AWARD WINNING CUSTOMER SERVICE AVAILABLE NEARLY 24/7²

Our live agents are available to assist members 15 hours a day/102 hours per week, 362 days a year.
