

Clever Care Health Plan 2025 Pharmacy Directory

This pharmacy directory was updated on 10/01/2024. For more recent information or other questions, please contact Clever Care Health Plan at **1-833-388-8168 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week, from October 1 through March 31, and 8 a.m. to 8 p.m., weekdays, from April 1 through September 30, or visit clevercarehealthplan.com/pharmacy.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at clevercarehealthplan.com/pharmacy. You may also call Member Services at 1-833-388-8168. TTY users should call 711 for updated information.

Introduction

This booklet provides a list of Clever Care Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Clever Care's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means Clever Care Health Plan. When it refers to "plan" or "our plan," it means Clever Care Longevity (HMO), Clever Care Value (HMO), or Clever Care Total+ (HMO C-SNP).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacy. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/01/2024. For the most current list, please contact us. Our contact information appears on the front and back cover page.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi™ (MedImpact's mail-order service). For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
