

Our 2024 HRA Program got even better!

We are excited to announce our HRA bonus program will include new members enrolled during **AEP 2023 through March 2024!** Our Total+ (HMO C-SNP) plan has increased to \$160. We are also adding our Value Rebate Plan along with Longevity; both plans have increased to \$80.

MARKET LEADING AGENT HRA ADMINISTRATIVE FEE

- Clever Care will pay agents an additional administrative fee including:
 - \$160 for completed HRAs with 2024 Total+ (HMO C-SNP) plan enrollments
 - \$80 for completed HRAs with 2024 Longevity (HMO) & 2024 Value (HMO) plan enrollments

Obtaining a Health Risk Assessment (HRA) document for new Clever Care members is essential in creating a comprehensive care plan with the member, which may identify gaps in care, lead to improved management of chronic conditions, and healthier, more satisfied members. We understand that submitting an HRA for new enrollees requires additional time and resources on your part, so we are extending the time you have to complete HRA forms:

EXTENDED HRA COMPLETION WINDOW

HRAs can be completed and submitted electronically to Clever Care for any members with an effective enrollment date of 1/1/24 through 4/1/24, **up to 10 business days after the member's effective enrollment date.**

- For paper applications, Agents will be able to access an HRA form through the portal once the application is uploaded into Clever Care's enrollment system
- Note that all HRAs must be submitted electronically to Clever Care along with a CMS approved application

We appreciate your continued support of Clever Care Health Plan!
