Get Whole Health Coverage with Clever Care

Because your complete well-being is not limited to basic medical care, it's important to have health coverage that includes services beyond what's covered by Original Medicare.

Clever Care Medicare Advantage plans provide members with medical and prescription drug coverage, PLUS dental, vision, hearing, fitness, and Eastern wellness services.

Clever Care's Supplemental Benefits

Clever Care Medicare Advantage plans include supplemental benefits not covered by Original Medicare. The supplemental benefits listed below work together to help you become the healthiest version of you.

Eastern Medicine

Eastern medicine is at the center of our philosophy. With our plans, you can access acupuncture and other Eastern therapy treatments like, Gua Sha, Tui Na, cupping and more – with no referral. ***Be sure to seek services from a licensed acupuncturist in the Clever Care network.***

Dental

You deserve a bright and healthy smile. Clever Care provides you with an allowance to help cover annual cleanings, exams, fillings, crowns and more.

Vision

Seeing the beauty of the world around you can bring joy. Clever Care provides you with an allowance amount to help pay for eyewear, such as glasses (frames and lenses) or contacts.

Hearing

Clever Care wants you to hear all the wonderful sounds of the world. That's why we provide you with an allowance amount to help pay for hearing aids.

Flexible Health & Wellness Allowance

Clever Care puts choice back into wellness!

Our members receive a flexible monetary allowance to help pay for services that Original Medicare or your current Medicare Advantage plan does not cover.

Spend your allowance on one or all of the following benefits:

Fitness activities: such as Tai chi, gym membership, golf, or a group fitness activity. Restrictions apply.

Over-the-counter items: non-prescription medication for pain, cold or allergy medicine, Band-Aids®, and more.

Herbal supplements: herbal teas, pain relieving creams, or other extracts and supplements intended to improve health and wellness.

Benefit offerings vary by plan.

We encourage those interested in trying herbal supplements or any wellness therapy to talk to their doctor before beginning any regimen or treatment.

Clever Care's Special Supplemental Benefits for Chronically Ill (SSBCI)

We proudly offer special supplemental benefits for our members with chronic illnesses. These benefits are available to members with eligible chronic conditions, such as diabetes, cardiovascular disorders, disabling mental health conditions, dementia, stroke, and others, who participate in Clever Care's case management program. Learn more about our SSBCI benefits:

Food

A healthy and consistent diet is an important part of managing your condition. Clever Care offers up to 42 nutritious, culturally inspired meals delivered to your home. Additionally, receive up to \$25 per month to spend at the grocery store.

Social Needs Benefits

Enjoy a companion visit for social support. Services include 4-hour shifts up to 24 times each year.

Extra benefits to support the whole you!

Rest and recharge without the worry of food prep through pre-cooked meal delivery after a hospital stay

Grab a ride to your doctor appointment or the pharmacy

Stay safe with a free medical alert device and free monthly monitoring and fall detection

In-Home Support & Safety

Daily living activities can be challenging when living with a chronic condition. Clever Care offers free in-home care to help with bathing, dressing, cooking, and more. Also, you can have up to two in-home safety assessments per year.

Telemonitoring

Remote patient monitoring includes a blood pressure monitor, digital weight scale, glucometer, or pulse oximeter that can send automatic biometric updates directly to Clever Care's case management team to help manage your care from the comfort of your own home.

Support for Caregivers (Respite Care)

If you have a primary caregiver, Clever Care can help meet their needs so they can take a short break or even a vacation. Respite care includes up to 40 hours of care giving services per year.

Receiving and paying for services:

Show your **Clever Care ID** card whenever accessing care, vision, dental, other supplemental services, or purchasing prescription medication.

Payment types

Below is a brief description of the three types of payment that you may be required to pay for services covered by our plan.

Copay	Set amount you may be required to pay out of pocket as your share of the cost for a medical service, supply, or a prescription drug.
Coinsurance	Amount you may be required to pay as your share of the cost for services or prescription drugs. Coinsurance is usually a percentage of the total cost (for example, 20%).
Allowance	Set amount paid quarterly or semi-annually by the plan for a specific purpose such as paying for healthcare services.
