Section 1 – Introduction

This directory provides a list of Clever Care's network providers. The information in this directory changes frequently. Participation by providers in this directory is not guaranteed and may be subject to change. Please ask your provider whether he/she is still participating in the network or accepting new patients.

You will have to choose one of our network providers listed in this directory to be your Primary Care Physician (PCP). A PCP is the doctor or other provider you see first for most health problems. You must see your primary care physician before you see any other health care provider.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. Refer to Chapter 4 of the Evidence of Coverage (EOC) to see if a service requires prior authorization or a referral. Your PCP will submit a referral directly to the IPA/Medical Group for you to see a specialist or for services conducted outside of his/her medical office. You must use network providers except for emergency care, urgently needed services, out-of-area renal dialysis, or other services specifically authorized by Clever Care Health Plan. If you receive a bill from the out-of-network provider **do not** pay it. Instead submit the bill to us for processing and we will determine if you have any financial liability.

If you **obtain routine care** from out-of-network providers, neither Medicare nor Clever Care will be responsible for the costs. Be sure to notify Clever Care about your emergency within 48 hours. We need to be involved with coordinating your care.

Sección 1 – Introducción

Este directorio incluye una lista de los proveedores de la red de Clever Care. La información de este directorio cambia con frecuencia. No se garantiza que los proveedores indicados sigan participando en la red. Pregúntele a su proveedor si todavía participa en la red y si acepta pacientes nuevos.

Debe elegir a uno de los proveedores de la red incluidos en este directorio como su médico de atención primaria (PCP). Un PCP es el médico u otro proveedor al que consulta primero para la mayoría de sus problemas de salud. Debe consultar con su PCP antes de consultar con cualquier otro proveedor de atención médica.

Los proveedores de la red incluidos en este directorio han aceptado brindarle servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red incluidos en este directorio; sin embargo, algunos servicios pueden requerir una remisión. Consulte el Capítulo 4 de la Evidencia de cobertura (EOC) para saber si un servicio requiere autorización previa o una remisión. Su PCP enviará una remisión directamente a la IPA o al grupo médico para que usted consulte con un especialista o reciba servicios fuera del consultorio de su PCP. Debe usar proveedores de la red, excepto para atención de emergencia, servicios de urgencia, diálisis renal fuera del área u otros servicios autorizados específicamente por Clever Care Health Plan. Si recibe una factura de un proveedor fuera de la red, no la pague. Envíenos la factura para que la procesemos y determinemos si usted tiene alguna responsabilidad financiera.

Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Clever Care serán responsables de los costos. Asegúrese de informar a Clever Care sobre su emergencia dentro de las 48 horas. Necesitamos participar en la coordinación de su atención.
